## Everybody Can Be Great Because Everybody Can Serve

Rev. Dr. Martin Luther King, Jr.

“If you want to be important—wonderful. If you want to be  
recognized—wonderful. If you want to be great—wonderful.

But recognize that he who is greatest among you shall be  
your servant. That's a new definition of greatness.

By giving that definition of greatness, it means that  
everybody can be great, because everybody can serve.

You don't have to have a college degree to serve.  
You don't have to make your subject and your verb  
agree to serve. You don't have to know about Plato and  
Aristotle to serve. You don't have to know Einstein's theory  
of relativity to serve. You don't have to know the second  
theory of thermodynamics in physics to serve.

You only need a heart full of grace, a soul generated by love.  
And you can be that servant.”
